

BMW 750iL xDrive – LUXURY SEDAN

Amenities

3

The BM 7 Series extends typical BM driving pleasure to include the enjoyment of being driven.

2

Passengers who occupy the luxurious seats in the rear enjoy a generous amount of space.

2

While the active chassis technology of the Executive Drive Pro option offers a driving experience of unrestricted comfort and dynamics in every situation the features of the ambient light design and innovative comfort and entertainment functions ensure a supreme level of relaxed travelling pleasure.
